### **MISSION FOCUS**

#### **March Update on the Ministry in Papua from Rosa Kidd**

Please continue to pray for Orin. His immune system seems to be shot, and he is having trouble healing. He is still experiencing quite a bit of pain from the shingles and he has had one cold after another. A couple of weeks ago we were ready to change our tickets and go home early! But the Lord made it clear that we are to continue here.

Orin did make it into the Sela Valley and had very fruitful ministry to the leaders and several churches. He is encouraged at how well the church is doing over there. He has the helicopter scheduled for April 20 to go into the village of Gobogdua for three days. They are so eager to have him come that they sent over \$400 to help with the cost of the helicopter!

Regarding the translation work, we will be meeting in Sentani this time beginning April 16 through to the end of the month. Pray that all the details will all come together:

*Accommodations, place to meet, transportation and health.*

*Also pray for the ministry of the Holy Spirit and unity.*

Orin has also been asked to preach at the expat church over in Timika which is where Orin JR. lives, so that will give us an opportunity to see him as well. One of his friends has arranged a tour of the mine for us so that will be a bonus!
